SECURITY COMMITTEE
Computer Security Subcommittee

4 August 1978
DSISEC-CSS-M114

Computer Security Subcommittee
of the
Director Central Intelligence
Security Committee

Minutes of Meeting Held at

STAT

27 July 1978

1.   The 114th meeting of the Computer Security Subcommittee
was held at 0930 on 27 July 1978 in the   STAT
                                     In attendance were: STAT

                                                            STAT

Mr. James Studer, Army Member
Mr. Robert Cameron, Navy Member

                                                            STAT

2.   The minutes of 12 June and 12 July were not considered
for approval due to a lack of a majority membership present.
Approval of these minutes will be sought at the September meeting.

3.   The Chairman announced that he will participate in the
security program formulation for the Space Shuttle program. The
Chairman is required to furnish the Security Committee a monthly
as well as an annual report of the Subcommittee activities.

4.   The membership discussed the elements of the threat study.
The Army member was requested to furnish information on the Army
program of collecting data regarding computer abuse in commerce
and industry.   was requested to compile a brief   STAT

paper on the Threat effort.   The CIA member is preparing a report on the "Penthouse article".

5.   The next meeting is scheduled for 7 September 1978.
